**Investment Objective and Strategy**

The Fund is a unit-paying balanced UITF structured as a feeder fund that aims to maximize total return by investing all or substantially all of its assets in a collective investment scheme (CIS), the Target Fund. The Target Fund aims to achieve income generation by investing in a diversified portfolio of equity, equity-related securities, fixed income, and fixed income-related securities of companies and/or governments globally (including emerging markets). To meet its objective the Target Fund will invest at least 70% of its net assets in equity and equity-related securities (which are listed on any Regulated Market), fixed income and fixed income-related securities of companies and/or governments located across the globe. The remaining assets of the Target Fund may be invested in cash and/or cash equivalents. The Target Fund is the Manulife Global Fund – Global Multi-Asset Diversified Income Fund.

**Client Suitability**

A client profiling process should be performed prior to participating in the Fund to guide prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest. The Manulife Global Multi Asset Diversified Income Feeder Fund is suitable for investors who are at least classified as aggressive based on their risk profile. To minimize risk and maximize returns, investors are recommended to stay invested in the Fund for at least five (5) years.

**Key Risks and Risk Management**

*You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks. For a more comprehensive list of risks, please refer to the Risk Disclosure Statement.*

**Price Risk:** The possibility for an investor to experience losses due to changes in market prices of securities.

**Liquidity Risk:** The possibility for an investor to experience losses due to inability to sell or convert assets into cash immediately or in instances where conversion to cash is possible but at a loss.

**Credit Risk:** The possibility for an investor to experience losses due to a borrower's failure to pay principal and/or interest in a timely manner. Investors may be exposed to higher degree of credit risk due to possible indirect holdings in below investment grade securities.

**Reinvestment Risk:** The possibility of having lower returns or earnings when maturing funds or the interest earnings of funds are reinvested.

**Interest Rate Risk:** The possibility for an investor to experience losses due to changes in interest rates.

**Foreign Exchange Risk:** This is the possibility for an investor to experience losses due to fluctuations in foreign exchange rates.

\*The Fund uses 50% MSCI World GR (USD) Index and 50% Bloomberg Barclays Global Aggregate Bond (USD Hedged) Index as a benchmark for performance comparison. MSCI World (USD) Index captures large and mid cap representation across Developed Markets countries. Bloomberg Barclays Global Aggregate Bond (USD Hedged) Index is a measure of global investment grade debt from a multitude local currency markets and includes treasury, government-related, corporate and securitized fixed-rate bonds from both developed and emerging markets issuers. These are consistent with the investment objective and strategy of the fund to invest primarily in a diversified portfolio of equity, equity-related securities, fixed income, and fixed income-related securities of companies and/or governments globally. The benchmark uses gross returns. #### Outlook and Strategy

Overall, we expect the market to experience some volatility into 2025, particularly as investors reprice interest rate and potentially inflation expectations, alongside uncertain President Trump policy. We maintain that there are downside risks to the economy, given tighter credit conditions. Tactical positioning will be more prevalent again as we continue into 2025, to nimble add and de-risk portfolios, as well as add to yield opportunities as they arise.

#### Investment Policy / Prospective Investment

The Fund shall invest at least 90% of its assets in the Target Fund. The investment in the Target Fund shall not exceed 10% of the total net asset value of the Target Fund. The portion of the Fund that is not invested in the Target Fund, which shall not exceed 10% of the assets of the Fund, may be invested and/or reinvested in other investments allowed under the regulations issued by the BSP.

#### Related Party Transactions

The Fund currently has no investment with the Trustee's related parties. Subject to the approval of the Manulife Investment Management and Trust Corporation (Manulife IM (Philippines)) Board of Directors, all related party transactions will be conducted on an arm's length and best execution basis and within the approved limits.
