WITNESSETH:

**ARTICLE I
CREATION OF THE TRUST**

That for the purpose of providing investment opportunities to its trust clients pursuant to investment objectives and policies herein stipulated, the Trustee hereby establishes and declares itself as Trustee of a multi-class unit investment trust fund (UITF) for the collective investment of funds held by it in the capacity of Trustee under the terms and conditions herein below set forth.

**ARTICLE II
NATURE AND INVESTMENT OBJECTIVES**

Sec. 1 Title of the Fund – The pooled fund shall be known as the MANULIFE EQUITY WEALTH FUND (herein referred to as the “Fund”).

Sec. 2 Nature of the Fund – The Fund is an equity fund UITF structured as a multi-class fund established in accordance with and shall be operated subject to the stipulations of this declaration and as the same may be amended from time to time in accordance with the regulations issued by the Bangko Sentral ng Pilipinas (the “BSP”) and to existing laws.

To promote operational efficiency and to eliminate the need to create separate UITFs with different fee structures but with the same objectives and strategies, the Fund offers investors access to the multi-class UITF. Each class may be subject to different conditions including, but not limited to, trustee fees and expenses, amount of minimum subscription, the minimum holding period, charges and target participants. The details of the different share classes of the Fund are specified in Appendix I, paragraph 4.

The Fund shall be treated as an entity separate and distinct from its constituent assets and from the contributions of the participations thereto and from other trust accounts administered by the Trustee.

Title to Assets of the Fund - All assets of the Fund shall, at all times, be considered as assets held by the Trustee vested solely in the Trustee.

Nature of Participant’s Interest in the Fund – No Participant shall have or be deemed to have any ownership or interest in any particular account, investment or asset of the Fund but shall have only its proportionate and undivided beneficial interest in the Fund as a whole.

Relationship of Trustee with the Fund – The Trustee shall not have any other relationship with the Fund except in its capacity as Trustee thereof. Provided, however, that the Trustee which simultaneously administers the trust, fiduciary, or investment management funds may invest such funds in the Fund, if allowed under a policy approved by its Board of Directors.

Description of the Fund – The features of the equity fund shall be described in **Appendix I** which is attached hereto and made an integral part hereof.

Sec. 3 Investment Objectives and Policy – The assets of the Fund shall be invested and reinvested in such outlets and held and disposed of in accordance with such investment objectives and policies as likewise specified in **Appendix I**.

The Trustee shall make available to all Participants for review a list of prospective and outstanding investment outlets which shall be updated at least quarterly. Such disclosure shall be in the form prescribed under Appendix Q-33 of Section 414-Q of the Manual of Regulations for Non-Bank Financial Institutions (the Key Information and Investment Disclosure Statement or KIIDS).

ARTICLE III PARTICIPATION: ADMISSION & REDEMPTION

Sec. 1 Qualified Participant (Requirements and Restrictions) – Prior to acceptance of the initial participation in the Fund, the Trustee or its duly authorized representative shall perform a Client Suitability Assessment (CSA) for the purpose of profiling the risk return orientation and suitability of the client to the Fund. The Fund is suitable for investors with aggressive risk profile. Participation in the Fund shall be open to Participants with legal capacity to contract and subject to the other conditions, rules or procedures stipulated in **Appendix I** hereto and those stipulated by the Trustee which it deems to be advantageous or to the best interest of the Fund.

Sec. 2 Participation Units – Participation in the Fund shall always be through participation in units of the Fund and each unit shall have uniform rights and privileges as any other unit. In the case of multi-class fund, units shall be issued as units in a class of fund. The beneficial interest of each participation unit shall be determined under the unitized net asset value per unit (NAVPU) valuation methodology defined herein and no participation shall be admitted to, or redeemed from, the Fund or class of a Fund, except on the basis of such valuation and in such frequency as indicated in **Appendix I** hereto.

ARTICLE IV MANNER OF OPERATION

Sec. 1 Pooled Fund Accounting – The total assets and accountabilities of the Fund shall be accounted for as a single account referred to as pooled-fund accounting method. The investments of a multi-class fund shall remain as one pool and are not separately allocated to classes.

Sec. 2 Distribution Channel– The Fund shall be distributed exclusively in distribution channels duly authorized by the Trustee and allowed under existing regulations.

Sec. 3 Expansion and Contraction of Fund – Admissions of participations in the Fund shall serve to expand the Fund's total outstanding units. Conversely redemption of participation/s from the Fund shall serve to contract the Fund's outstanding units.

Every participation in the Fund shall be evidenced by a subscription of units arrived at by dividing the amount of investment by the applicable NAVpu. On the other hand, every redemption of participation/s from the Fund shall be evidenced by a redemption of units arrived at by dividing the amount of redemption by the applicable NAVpu.

Sec. 4 Allocation and Distribution of Income – The market value of the Fund’s investments, net of taxes, fees and expenses which are chargeable against the Fund shall be reflected in every net asset value (NAV) computation. The income of the Fund, therefore, shall be allocated to the Participants on a pro rata and pari-passu basis depending on the number of units held by each Participant in the Fund. The unrealized income/loss of each Participant in the Fund shall be the difference between the prevailing NAVPu over the acquisition cost of the Participant’s units, multiplied by the number of units held by the Participant. The actual distribution or realization of income shall take place every time redemption of units from the Fund is made, to the extent of the number of units redeemed.

ARTICLE V VALUATION OF THE FUND AND PARTICIPATION UNITS

Sec. 1 Valuation of the Fund – The Trustee’s Fund Administrator (the “Fund Administrator”) shall compute the NAV of the Fund daily subject to the following rules:

- (b) The NAV shall be the summation of the market value of each investment of the Fund less fees, applicable taxes, and other qualified expense as defined herein. The determination of market value of the investments of the Fund shall be in accordance with existing BSP rules and regulations on marking to market valuation of investment instruments more specifically described in **Appendix I** hereof.

Sec. 2 Valuation of Participation in Units – The valuation of participation in units shall be subject to the following rules:

- (a) The NAVPu shall be determined daily by dividing the NAV of the Fund by the total number of units outstanding as of Valuation Date.
- (b) The Trustee shall cause the publication of the NAVpu of all the unit classes of the Fund at least weekly in one or more newspaper of national circulation.

Sec. 3 Fees and Expenses of the Fund –

- (a) Trustee’s Fees – The Trustee shall charge against the Fund regular trust fees in the percentage indicated in **Appendix I** hereto on a per annum basis based on the NAV of the Fund as its compensation for the administration and management of the Fund. These fees shall accrue and shall be collectible from the Fund, as and when the same becomes due, at such times as indicated in **Appendix I**. The trust fees shall be uniformly applied to all Participants of share class A of the Fund. Said fee may be increased or decreased in the future as may be warranted by circumstances then existing, subject to the requirements under the Plan rules Section of Section 414-Q of the Manual of Regulations for Non-Bank Financial Institutions. MANULIFE EQUITY WEALTH FUND A Multi-Class Unit Investment Trust Fund

FUND SPECIFICATIONS

1. Investment Objective

- (a) The Fund is an equity fund that seeks to achieve long-term capital appreciation by investing at least 80% of its net assets in stocks listed on the Philippine Stock Exchange. The remaining assets may be invested in fixed income securities and other liquid fixed income instruments.
- (b) Benchmark. The Fund uses the Philippine Stock Exchange Index (PSEi) as a benchmark for performance comparison. This benchmark is composed of the 30 largest and most active common stocks in the Philippines. More detailed information can be found by contacting the Philippines Stock Exchange.

2. Investment Policy

- (a) Pursuant to the foregoing objectives, the Trustee, with full discretionary powers, may invest and reinvest the assets of the Fund in:
 - Stocks listed on the Philippine Stock Exchange;
 - Securities issued or guaranteed by the Philippine government and government-owned or controlled entities including the Bangko Sentral ng Pilipinas (BSP);
 - Securities issued by financially sound companies;
 - Other liquid fixed income instruments including term deposits;
 - Other investments allowed under the regulations issued by the BSP

The Fund may avail itself of financial derivative instruments solely for the purpose of hedging risk exposures of its existing investments provided these are disclosed to Participants, are accounted for in accordance with existing BSP hedging guidelines as well as the Trustee's risk management and hedging policies duly approved by the Board of Directors and all the requirements for hedging transactions under Philippine Accounting Standards (PAS) are observed. The risk exposures include those enumerated in the Risk Disclosure Statement of the Trustee's UITFs.

(b) Exposure Limit

The combined exposure to any entity and its related parties must not exceed fifteen (15%) of the market value of the Fund. Provided, that investments of the Fund in exchange traded equity securities shall be subject to the fifteen (15%) exposure limit to a single entity/issuer. Provided, further, that in the case of an exchange traded equity security which is included in an index and tracked by the Fund, the exposure of the Fund shall be the actual benchmark weighting of the issuer or fifteen (15%), whichever is higher. This limitation shall not apply to non-risk assets as defined by the BSP. In case the limit is breached due to the marking-to-market of certain investment/s or any extraordinary circumstances, e.g. abnormal redemptions which are beyond the control of the Trustee, the Trustee shall be given thirty (30) days from the time the limit is breached to correct the same.

3. Qualified Participants - Participation in the Fund shall be open to all persons with legal capacity to enter into contracts except those who are considered United States (US) Persons under applicable US laws and regulations. Acceptance of Participants shall be subject to the rules or procedures established by the Trustee which it deems advantageous or to the best interest of the Fund. The

Fund is suitable for investors with an aggressive risk profile. In order to minimize risks and maximize returns, the Participants are recommended to stay invested in the Fund for more than five (5) years.

4. **Structure** – To promote operational efficiency and to eliminate the need to create separate UITFs with different fee structures but with the same objectives and strategies, the Fund offers investors access to the multi-class UITF. Each class may be subject to different conditions including, but not limited to, trustee fees and expenses, amount of minimum subscription, the minimum holding period, charges and target participants.

Available share classes:

- Class I units are available for investment only by institutional investors with bespoke (segregated) accounts managed by the Trustee and UITFs offered by the Trustee. Share Class I is a zero management fee share class as the management fee of the Trustee is charged at the bespoke account level or at the Investor Fund in the case of UITFs offered by the Trustee.
 - Class A units are available for investment by retail investors that are not eligible to subscribe to share class I.
5. **Rules Related to Valuation** - The matter of determining the value of the various instruments in the Fund shall be vested in the Trustee through its Board of Directors. Subject to pertinent BSP Implementing Rules and Regulations, the Trustee shall adopt a Marked-to-Market Valuation Methodology which, once adopted, shall herewith be consistently and strictly applied. The basis for pricing/valuation per asset class/asset shall follow existing BSP marking-to-market guidelines¹, such that for equity securities listed in the stock exchange traded in the Philippines, reference shall be same day closing price at the Philippine Stock Exchange; and for equity securities traded abroad, reference shall be the latest available closing price from the exchange where the securities are traded.

- (a) The NAV of the Fund shall be computed using the pooled-fund accounting methodology, or more specifically based on the following formula:

	Cash Deposits
+	Market Value of Investment
+	Accrued Interest on Cash Deposits
+	<u>All other assets and receivables</u>
	GROSS ASSET VALUE
-	Accrued Taxes Payable
-	Other Accrued Expenses
-	Accounts Payable
-	<u>All Other Liabilities</u>
	NET ASSET VALUE GROSS OF TRUST FEES

The NAVPu of each class shall be computed by dividing total net assets of a class by the total outstanding units of such class; where, the net assets of each class shall represent its proportionate share on the net assets of the Fund less the trustee fee and any other expenses attributable to that class. The NAVPu shall be computed up to four (4) decimal places as follow:

$$\text{SHARE CLASS I NAVPu} = \frac{\text{Total Net Assets of Share Class I}}{\text{Total number of outstanding units of Share Class I}}$$

¹ The Trustee shall adopt a Marked-to-Market Valuation Methodology that is consistent with BSP’s guidelines as shown in Sec. 414-Q “Allowable Investments and Valuation” and Appendix Q-23 “Marking to Market Guidelines for Investments in Debt and Equity Securities” of the Manual of Regulations for Non-Bank Financial Institution (MORNBFI).

$$\text{SHARE CLASS A NAVPu} = \frac{\text{Total Net Assets of Share Class A} - \text{Trust Fee}}{\text{Total number of outstanding units of Share Class A}}$$

- (b) The NAVPu of the Fund shall be computed daily and made available not later than 6:00PM of the each business day. The NAVPu shall be made available to Participants upon request.
- (c) Suspension of Trading- The Trustee of the Fund may temporarily suspend calculation of the NAV/NAVPu of the Fund, as well as admission to and redemption from the Fund, if it is unable to determine the NAVPu of the Fund due to the suspension of trading of its securities or any fortuitous event, such as fire, natural calamity, public disorder, or national emergency affecting the financial market resulting in the suspension of trading and consequently, the absence of available market prices of securities/instruments.
