Manulife Global Healthcare Equity Feeder Fund

The Fund is an equity UITF structured as a feeder fund that aims to maximize total return by investing its assets in a collective investment scheme (CIS), the Target Fund. The Target Fund aims to provide medium to long term capital growth by investing mainly in equity and equity-related securities in health care and related industries globally, which are listed on any stock exchange. It may also invest in companies which derive a significant portion of their earnings from medical and pharmaceutical products and services. The remaining assets may include bonds and deposits.

Why this Fund?

Medical advances

Seeks to outperform the market by projecting revenues from breakthrough medical advances.

Aging population and rising healthcare costs

Invests in companies that are well-positioned to benefit from the growing demand for healthcare and those that are capable to improve the cost of healthcare via products and technology.

Unmet medical needs

Capitalizes on new market opportunities by investing in innovative companies that offer groundbreaking medical solutions for previously untreatable conditions.
